

Destiny Thomas

FAMILY + LIFESTYLE INFLUENCER

ABOUT ME

Born and raised in the Hampton Roads area and residing in Virginia Beach, VA with my husband and two amazing sons. I am a 31 year old mompreneur. In between raising 2 beautiful children, I've found a passion for helping and leading others using the vehicle of social platforms. I've always had the drive to inspire others around me, and found a way to connect the influence I've gained through my success as an entrepreneur to assisting in other areas where I saw need. I chose to be an inspiration, motivating and aid to women who strive to master motherhood, wifehood, life and all the in-between! As a woman who leads and coaches other millennial women to see how possible it is to do whatever your heart desires while being a wife and mother, I know it is super important to remember that our lives shouldn't be put to the side due to the duties we have to complete daily. God gives us grace and provision to do all things through him.
